

NOTIFICATION OF THE COURSE OF STUDY COMMITTEE'S ACTIONS

Decisions rendered by the Course of Study Committee will be communicated to the DUS via email. If you wish to respond to the committee about a conditionally approved course, you may send an email to the secretary to the chair.

It is the practice of the Course of Study Committee to submit for faculty approval at each month's Yale College Faculty meeting whatever new courses and changes in majors it has approved. The committee's list of its recommendations circulated at those meetings normally constitutes the public record of the committee's decisions. For a record of the committee's affirmative decisions, you are directed to the lists available at the monthly faculty meetings. The secretary to the chair of the committee keeps copies of the lists submitted to the faculty each month and will supply any upon request. The secretary to the chair of the Course of Study Committee is Beth Baumgarte (beth.baumgartel@yale.edu).
