

## **FREE SERVICES FOR P.O. BOX HOLDERS**

Dear PO Box Customer,

USPS Yale Station is participating in the Move To Competitive Program for Post Office Boxes. When you rent a box at Yale Station, you get additional free services. These services are listed below.

**Street Addressing** – Use the street address of this Post Office™ location for your PO Box and benefit from the credibility of a street address for your business. If you sign up for this feature, we will accept packages from private carriers that do not deliver to a PO Box. This is a great feature if you order online. Many catalog companies do not ship to P.O. Boxes. These packages (which can include delivery by a private carrier, UPS and FedEx) would be held in a secure location for your convenience. This service is especially important if you own a small business because you can now use a street address—not just a PO Box number—for your business. ***Both Street Addressed mail and PO Box addressed mail can now be delivered to your PO Box.***

**Real Mail Notification™ Services** – Receive an email or text message each day you receive new mail in your PO Box, Monday through Saturday. You will receive this notification only if you have mail. Your time is valuable, and now you'll know when mail has arrived.

**Signature on File** – Provide us with your signature and we'll keep it on file. We'll accept signature-required mail and packages for you, which you can pick up at your convenience. Enjoy the convenience of this service for these products:

**Express Mail®**  
**Insured Mail over \$200 (including Electronic Return Receipt)**  
**Signature Confirmation™**

The services listed above are free and come with a paid box rental. Check off the services that you want and sign the Customer Agreement. It's that easy.
