PROPERTY INSURANCE

The University urges all students to obtain personal property insurance to protect against loss of or damage to their belongings. As the Undergraduate Regulations stipulate, Yale assumes no responsibility for the safety of personal property on its premises or within its buildings. If you do not carry other insurance, Yale has arranged for an insurance program for students to utilize. The coverage provided is comprehensive and competitive, and enrollment is easy, and coverage also applies to University property that you may have in your possession, both on or off campus. For access to the online application and links to additional information, visit the Office of Enterprise Risk Management Website.
