

COMPUTER CLASSROOMS

Four computer classrooms are available on central campus for the Yale research and teaching community. With over 100 workstations and a wide variety of software packages, the classrooms have been designed to serve interdisciplinary needs.

Name	Location	Capacity
17 Hillhouse	17 Hillhouse Ave., Rm. 111	60
Dunham Laboratory	10 Hillhouse Ave., Rm. 120	22
CSSSI StatLab (http://schedule.yale.edu/csssi_kbt)	219 Prospect St., Rm. C27	30
Rosenkranz Hall StatLab (http://schedule.yale.edu/csssi_rkz)	115 Prospect St., Rm. 01	14

In all of the computer classrooms the instructor's computer is connected to a projector. For help with projectors and instruction on their use, email classroom.support@yale.edu or call 432-2650. To learn what additional equipment is available in classrooms, consult the ITS Classroom Search page.
