

PROGRAM REQUIREMENTS

Requirements for the D.N.P. degree include successful completion of the courses listed in the curriculum templates below. The progression to graduation is contingent upon satisfactory completion of all courses, practica, a D.N.P. project, and a public presentation to the YSN community. Students must maintain a High Pass average to qualify for the final year. The D.N.P. programs use the same grading system as the rest of YSN's programs.
