ADMISSION REQUIREMENTS AND APPLICATION PROCEDURES

Requirements for admission include current Connecticut R.N. licensure, a baccalaureate degree from an accredited college or university, a master’s degree in nursing in a specialty area, and at least one year of post-master’s clinical nursing experience (preferred). Applicants to the Post-Master's Certificate program must be licensed advanced practice nurses or certified nurse midwives. The duration of study for a post-master’s certificate for full-time study can be one or two years and is determined by the specialty directors, course requirements, and the incoming student’s graduate academic record. Part-time study is available; the duration of study is determined in the same manner as for full-time study. The Post-Master’s Certificate is available in five areas: adult/gerontology acute care nurse practitioner, family nurse practitioner, pediatric nurse practitioner—primary care, pediatric nurse practitioner—acute care, and psychiatric–mental health nurse practitioner.

The application procedures and deadlines are the same for both part-time and full-time study. The deadline for Post-Master’s Certificate applications is November 1.

The Post-Master's Certificate admissions application is available online at https://apply.nursing.yale.edu/apply. Program information can be found by visiting http://nursing.yale.edu/admissions; or by contacting the Office of Admissions, ysnadmissions@yale.edu.

In addition, if a transcript is issued in a language other than English, it must be accompanied by an English translation.
7. Three letters of recommendation (professional and academic)

Applications submitted late, or incomplete applications, will not be forwarded to the Admissions Committee for consideration.

Following the initial review of written credentials, qualified applicants are asked to participate in a virtual interview with a faculty member. Interviews are generally held in January.
