Student Accessibility Services (SAS) engages in an interactive process with Yale students with disabilities, including graduate and professional school students, to determine reasonable and appropriate accommodations on a case-by-case, course-by-course basis. Students may initiate this process by requesting accommodations through the online registration form available at https://yale-accommodate.symplicity.com/public_accommodation.

Registration with SAS is kept private, and faculty/staff are notified of approved accommodations on a need-to-know basis only. Students should upload supporting documentation regarding their condition and request for accommodations through the online registration form. SAS’s documentation guidelines are available at https://sas.yale.edu/get-started/documentation-guidelines.

SAS collaborates with students, faculty, and staff to coordinate approved academic and residential accommodations. SAS also works with students with sporadic and temporary disabilities as well. At any time during a term, students with a newly diagnosed disability or injury requiring accommodations should register with SAS following the above instructions. More information can be found at https://sas.yale.edu. Contact SAS at sas@yale.edu or at 203.432.2324.
