* **EGYP 230a, Medinet Habu Texts**  John Darnell
This seminar engages in close reading of a selection of the myriad of inscriptions in the mortuary temple of Ramesses III at Medinet Habu, on the west bank of ancient Waset (Thebes, modern Luxor). The course provides an overview of the most complete temple to survive from the New Kingdom, a “Temple of Millions of Years.” Readings sample the full range of inscriptions from the temple, including bandeau texts referring to the temple’s construction, historical inscriptions recounting the Sea Peoples invasion and other wars of Ramesses III, religious texts including the processions of Sokar and Min, etc. Additional readings cover supporting materials, such as passages from the Great Papyrus Harris, other monuments of Ramesses III, and late variants of the Book of the Dead. Readings are primarily of hieroglyphic texts, although the course provides an introduction to the cursive hieratic script as well. Prerequisite: at least one L3/4 course or permission of the instructor.  L5  RP

* **EGYP 231b, Historical Texts of Egypt and Nubia**  John Darnell

Background reading about the history and archaeology of ancient Nubia supplements the interpretation of the texts. Some texts are read in the original hieratic script. Prerequisite: at least one L3 course.  L5  RP
