This course focusses on readings in his most important and best known works, the Epistulae Morales. Most of the letters we read deal with themes of broad general interest, but some include the more challenging philosophical topics in Stoic ethics that form the culmination of the work. We aim to read the letters included in Seneca: Selected Letters ed. Catharine Edwards (Cambridge 2019), which has an excellent literary and philological commentary; a few additional letters are read with the more philosophical commentary found in Brad Inwood Seneca: Selected Philosophical Letters (Oxford 2007). Prerequisite: L4 Latin course or advanced high school Latin.  L5, HU
