FINANCIAL AID AWARDS

School of Art financial aid awards are based on financial need and the school's resources; it is for this reason that students are urged to plan their finances for each year with the utmost care. Students should be prepared to cover their anticipated need at the start of the program. The school cannot guarantee additional help once the financial aid award is determined.

A typical single student budget for the nine-month academic year totals $79,862, comprising $50,198 for tuition, $23,714 for living expenses (including hospitalization insurance), and $5,950 for books, art supplies, and academic fees.
