COURSELEAF

Major programs, certificates, and course management (creation, updates, and offering) are developed and organized through the CourseLeaf modules, CAT, CIM, and WEN.

CAT Yearly bulletin and handbook production, including YCPS, DUS Handbook, Instructor's Handbook, and the Handbook for Departmental Academic Administrative Support

Contact: Beth Baumgartel (beth.baumgartel@yale.edu)

CIM Course Inventory Management; creation and update of courses

Contact: courseleaf@yale.edu

WEN Course Offerings to appear in Yale Course Search; term-by-term offering of courses

Contact: courseleaf@yale.edu
