The Teaching Fellow Program is the principal framework at Yale in which graduate
students learn to become effective teachers. Learning to teach and to evaluate student
work is fundamental to the education of graduate students. The Teaching Fellow
Program provides opportunities for graduate students to develop teaching skills, under
faculty guidance, through active participation in the teaching of Yale undergraduates.
Teaching fellows who encounter problems or difficulties related to their teaching roles
are encouraged to meet with the assistant director of the Teaching Fellow Program or
the deputy dean.
