Student Accessibility Services (SAS) engages in an interactive process with Yale students, including undergraduate, graduate, and professional-school students with permanent conditions and/or temporary injuries, to determine reasonable and appropriate accommodations on a case-by-case basis. Students may initiate this process by requesting accommodations through the online registration form available at: https://yale-accommodate.symplicity.com/public_accommodation.

Engagement with SAS is private, and faculty/staff are notified of approved accommodations on a need-to-know basis only, except when required by law. Students may upload supporting documentation regarding their condition and request for accommodations with their accommodation request form. Documentation guidelines are available on the SAS website at <https://sas.yale.edu/get-started/documentation-guidelines>.
