To ensure that all students have an equal opportunity to make the most of their Yale education, the Student Accessibility Services office (SAS) facilitates individual accommodations for students with disabilities. SAS promotes equitable access to education and student life for students with disabilities and fosters a campus environment of belonging, inclusion, and respect. Students requesting accommodations should complete an accommodation request form (https://yale-accommodate.symplicity.com/public_accommodation) to initiate the interactive process. Students may upload supporting documentation regarding their condition and request for accommodations with their accommodation request form. Documentation guidelines are available on the SAS website at <https://sas.yale.edu/students/documentation-guidelines>.

Engagement with SAS is confidential. Faculty and staff are notified of approved accommodations on a need-to-know basis only, except when required by law for health and safety reasons. Generally, a student requiring reasonable accommodations needs to renew accommodations with SAS at the start of each term and should complete this step as soon as their schedule is finalized. At any time during a term, students with a newly diagnosed disability or recently sustained injury requiring accommodations should contact SAS to discuss accommodation options.
