

# COMPUTER CLASSROOMS

Two computer classrooms are available on central campus for the Yale research and teaching community. With approximately 100 workstations and a wide variety of software packages, the classrooms have been designed to serve interdisciplinary needs.

<b>Name</b>	<b>Location</b>	<b>Capacity</b>
17 Hillhouse	17 Hillhouse Ave., Rm. 111	74 computers
Dunham Laboratory	10 Hillhouse Ave., Rm. 120	21 computers

In all of the computer classrooms the instructor's computer is connected to a projector. For help with projectors and instruction on their use, email [classroom.support@yale.edu](mailto:classroom.support@yale.edu). For assistance with or questions about software available on computers, contact [cluster.support@yale.edu](mailto:cluster.support@yale.edu).
