

M.B.A. FOR EXECUTIVES PROGRAM

The Yale School of Management offers an M.B.A. for Executives (EMBA) program leading to the degree of Master of Business Administration. The EMBA program is designed for working professionals and combines the rigor of the Yale SOM integrated core curriculum and leadership development program with the option to specialize in an area of focus: asset management, healthcare, or sustainability. Students spend three weeks in residence (two weeks in year one and one week in year two) and every other Friday and Saturday on the Yale SOM campus over the course of the twenty-two-month program.
