

P. VISITING INTERNATIONAL STUDENT PROGRAM

The Yale Visiting International Student Program (Y-VISP) invites selected undergraduate students from Y-VISP partner institutions to pursue full-time study in Yale College during one term or one academic year. Y-VISP students maintain a full course load and are fully integrated members of Yale College life inside and outside of the classroom. Y-VISP is managed by the program's associate director and the Y-VISP Steering Committee. Additional information is available on the Yale Visiting International Student Program website.
